

Klar & Klar Architects, Inc. announces the completion of Frenchy's Oasis Motel  
**Winner of the 2010 "Beautification Award"**  
from the Clearwater Beach Chamber of Commerce

## Architecture and Interiors by Klar & Klar Architects

Klar and Klar Architects succeeded in transforming a non-descript 1960's property into a retro-inspired "oasis". Our vision was to create a destination motel that's quaint, creative and colorful. Inspiration came from the desire to bring back the mom and pop charm of the 50's and 60's with new and playful detailing.
